ACT Admission Policies

Most colleges are currently choosing two routes for the ACT

- **Test Optional:** ACT can be a consideration in the admission process if you feel like your score would help your application. If you choose to not submit a score, other factors (GPA, course rigor, activities) will likely be weighted more heavily
- **Test Blind:** Schools will not consider your ACT score as part of your application.
 - *Most colleges are continuing this policy through 2025
